## Student Assistant Position with Jun.-Prof. Dr. Holly Dykstra

*Time frame:* October 2024 – September 2025

*Hours:* 20 hours per month

We are looking for a Master's student in Economics or a related field who is interested in a student assistant position with Jun.-Prof. Dr. Holly Dykstra in Behavioral Economics. This is a great opportunity for students interested in academic research.

*Duties:*

- Weekly online check-in meetings as schedules permit.
- Developing and implementing experiments using Qualtrics, MTurk, and Prolific.
- Data analysis using Stata, including coding, data preparation, and results interpretation.
- Assisting in writing and editing research materials, research proposals, and academic papers.
- Finding and summarizing relevant academic papers for ongoing projects, as well as maintaining a reference list using Zotero.
- Other related research and teaching tasks as needed.

If you are interested, please apply by sending your resume or CV as well as a list of your coursework and grades to [holly.dykstra@uni-konstanz.de](mailto:holly.dykstra@uni-konstanz.de). Previous experience with the software mentioned above is not required (but an interest in learning them is!).

Please send your application by **August 15, 2024**. If you have any questions, feel free to contact Holly or her current research assistant Mihane at [sermaxhaj.mihane@uni-konstanz.de](mailto:sermaxhaj.mihane@uni-konstanz.de).
